Employee Handbook

Policy HR-HB-001 | Version 5.0 | Aurelian Technologies India Private Limited and Aurelian Technologies Inc.

Field	Value
Policy ID	HR-HB-001
Version	5.0
Effective date	1 July 2025
Applies to	All employees globally
Policy owner	Chief People Officer
Approved by	Chief Executive Officer
Next review	30 June 2026
Document status	Active

1. Welcome to Aurelian

Aurelian Technologies builds data infrastructure software for enterprises in banking, healthcare and logistics. This handbook summarises how we work, what we expect of each other, and the benefits and policies that apply to you. It is a summary only: where this handbook and a specific policy differ, the specific policy prevails, and where two versions of the same policy exist, the version with the later effective date prevails.

2. Definitions

Term	Definition
Employee	An individual employed on the payroll of an Aurelian entity under an employment contract, including probationers and fixed-term employees.
Contractor	An individual or firm engaged to provide services under a Master Services Agreement or Statement of Work, including consultants and agency staff. Contractors are not employees.
Employee benefits	All non-salary entitlements provided by Aurelian to employees, including all paid leave types under the applicable leave policy (annual, sick, casual, parental, bereavement and other leave), health and life insurance, the EAP, remote work allowances, and retirement benefits.
Manager	The person to whom an employee reports in the HR system.
HRBP	The HR Business Partner assigned to the employee's business unit.

3. Our Values and Code of Conduct

Our values are Ownership, Candour, Customer Obsession and Craft. All employees must complete Code of Conduct training within 30 days of joining and annually thereafter. The Code covers conflicts of interest, gifts and hospitality (no gifts above INR 5,000 / USD 75 in value), anti-bribery, insider trading and fair competition.

4. Working Hours and Attendance

The standard working week is 5 days. In India, the standard working day is 9 hours including a 1-hour meal break. In the US, the standard working day is 8 hours. Non-exempt US employees must record all hours worked in Workday and receive overtime as required by law.

5. Leave - Overview

Employees receive 24 annual leave days. In addition, employees are entitled to sick leave, casual leave (India), public holidays, parental leave and other types of leave. Entitlements, carry forward and encashment rules vary by country and are set out in the applicable leave policy: HR-LV-104 (India) and HR-LV-210 (United States). Leave encashment rules, previously in HR-LV-140, are now part of HR-LV-104.

Planning your leave early helps your team. Managers are encouraged to ensure that every team member takes at least one continuous break of 5 working days each year.

6. Remote and Hybrid Working

Aurelian follows a hybrid model. Employees may work from home up to 2 days per week, with at least 3 days per week in the office. Details, including allowances and work from abroad, are set out in the Hybrid and Remote Work Policy (HR-RW-301).

7. Compensation and Payroll

Salaries in India are paid on the last working day of each month. US employees are paid semi-monthly on the 15th and last day of each month. Annual compensation reviews take place in April. Variable pay, where applicable, is paid annually after the close of the financial year.

8. Benefits - Overview

Aurelian offers comprehensive benefits including group health insurance, life and accident insurance, an Employee Assistance Programme and wellness sessions (see HR-BN-401), home office allowances (HR-RW-301), and retirement benefits: Provident Fund and Gratuity in India, and a 401(k) plan with a 4% employer match in the United States.

9. Travel and Expenses

Business travel must be approved and booked in accordance with the Global Travel and Expense Policy (TR-202). Relocation support for employees transferring between locations is governed by TR-220.

10. Anti-Harassment and POSH

Aurelian has zero tolerance for harassment. In India, complaints of sexual harassment are handled by the Internal Committee constituted under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. Complaints may be raised within 3 months of the incident. In the US, complaints may be raised with the HRBP, the Legal team or the anonymous ethics hotline.

11. Information Security and Acceptable Use

- Use strong, unique passwords and multi-factor authentication for all Company systems.
- Do not upload Company or customer data to personal storage or unapproved AI tools.
- Report suspected phishing or security incidents to security@aurelian.example within 1 hour.

- Company devices are subject to monitoring in accordance with law.

12. Performance Management

Performance is reviewed twice a year, in October (mid-year check-in) and April (annual review), using a 5-point rating scale. Employees whose performance does not meet expectations may be placed on a Performance Improvement Plan of 60 to 90 days.

13. Grievance and Disciplinary Procedure

Employees may raise grievances with their manager, HRBP or through the ethics hotline. Disciplinary action follows a fair process including notice of the allegation, an opportunity to respond, and a written outcome. Sanctions range from a written warning to termination for gross misconduct.

14. Separation

Country	Notice period (employee resignation)	Full and final settlement
India	60 days (90 days for Director and above)	Within 45 days of last working day
United States	2 weeks (requested, employment is at-will)	Final pay per state law

15. Policy Index
