1. Purpose

Aurelian operates a hybrid working model. This policy sets out who may work remotely, how often, from where, the equipment and allowances provided, and the security and wellbeing requirements that apply. It replaces the remote working guidance in Section 6 of the Employee Handbook (HR-HB-001).

2. Scope

This policy applies to employees in India and the United States. Contractors and consultants may work remotely only as specified in their Statement of Work (SOW) and are not eligible for the allowances in Section 6 or for work from abroad under Section 5 (see HR-CT-501).

3. Hybrid Working Model

3.1 Office attendance

Employees in hybrid roles must work from their assigned office for a minimum of 2 days per week and may work remotely for up to 3 days per week. Teams may designate common anchor days. Employees in their first 90 days of employment must work from the office at least 3 days per week to support onboarding.

3.2 Role categories

Office-based	Lab, facilities, front desk and hardware roles	0
Hybrid	Default for most roles	Up to 3
Fully remote	Approved by CXO; typically where no office exists within 100 km	5

4. Working from Home

Employees working from home must be available during core collaboration hours (11:00-16:00 local time), use a secure and private workspace, and follow the Information Security Policy. Working from public places such as cafes is permitted only for non-confidential work using the Company VPN.

5. Working from Another Country (Work from Abroad)

Employees may work temporarily from a country other than their country of employment for a maximum of 30 calendar days in a calendar year, subject to prior approval from their manager, HR and the Global Mobility team. Requests must be submitted in PeopleHub (India) or Workday (US) at least 15 business days before travel.

- Work from abroad is not permitted in sanctioned or restricted countries listed by Legal.
- The employee remains responsible for visa and immigration compliance; business visas generally do not permit remote work.
- Work from abroad is not permitted during the notice period or during the first 6 months of employment.
- Travel costs for work from abroad are personal and are not reimbursable under the Travel Policy (TR-202).

6. Equipment and Allowances

The Company provides a laptop, headset and, on request, one external monitor. Equipment remains Company property and must be returned on separation.

Employees are encouraged to take regular breaks, respect the right-to-disconnect guidelines (no expectation to respond to non-urgent messages outside 08:00-20:00 local time), and use the Employee Assistance Programme described in HR-BN-401.

9.2 Exceptions
